

Taking Climate Action label certificate

COMPANY LABEL - BRONZE LEVEL

Client reference: N° 26/700127

Certification start date: 09/04/2026

Certification end date: 09/04/2027

CO2logic certifies that **Willy Naessens** has calculated its **Belgian entities related to "Build", "Concrete" and "Pool"** carbon footprint, set up a concrete reduction plan and contributes to fund climate projects matching part of its emissions by supporting certified climate projects.

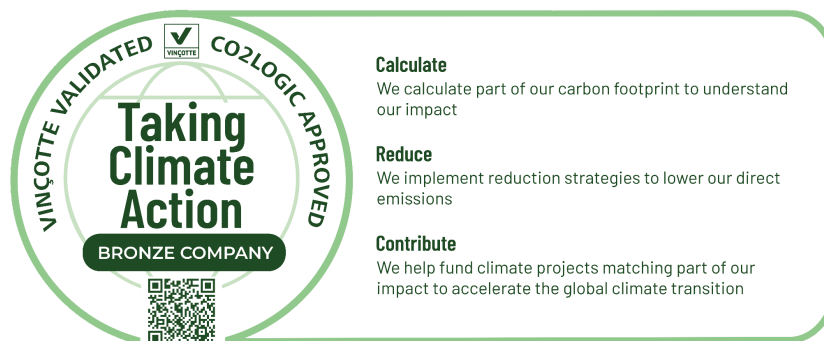

Calculate: the calculation scope covers scope 1 and scope 2. For emissions of **FY 2024**, this amounts to **15.719 tCO2**.

Reduce: **Willy Naessens** ambition is to reduce its **Belgian entities related to "Build", "Concrete" and "Pool"** emissions as follows: to reduce its scope 1 and 2 emissions by **25 % CO2/indexed turnover** in 2030 in comparison with 2020.

Contribute: **Willy Naessens** also commits to yearly fund climate projects matching its emissions from scope 1 and 2 through certified carbon credits (**15.757 tCO2 for FY 2024** - some scope 3 categories included)

Every label is reviewed and validated by Vinçotte, an independent international certifying authority. Through an in-depth audit, Vinçotte controls the implementation of the CO2logic approach: calculate, reduce and offset CO2 emissions.

All information related to the CO2logic approach and the process can be consulted on our [website](#) and all the information related to this label is made available through the individual QR code present on the label:
