

## INVITATION

# ONCO Round Table on gastrointestinal cancer

 Tuesday 15 February 2022 | 19:30 – 21:30

The ONCO Round table focuses on peer-to-peer discussions with **high interactivity**. Every panel member will be challenged to present his/her highlight from 2021 in five minutes. After a short Q&A, the panel will discuss various clinical dilemmas that physicians are confronted with in daily practice.

We invite you to **join the discussion online!**

Accreditation will be requested.

Scientific moderator: *Prof. Dr. Eric Van Cutsem, UZ Leuven*
